

THE PRIVACY POLICY OF THIS WEBSITE

WHY THIS ANNOUNCEMENT

This page contains a description of website management regarding personal data processing of users who visit this website.

This is a privacy policy statement pursuant to Section 13 of Legislative Decree n. 196/2003 – Code on protection of personal data of users who interact with the web-based services of **REGENYAL LABORATORIES Srl**, accessible via:

www.regenyal.eu

This privacy notice refers solely to the website of **REGENYAL LABORATORIES Srl** and not to other websites that might be accessed by users through links.

The information provided is based on the guidelines contained in the Recommendation no. 2/2001, which was adopted on 17th May 2001 by the European data protection authorities within the Working Group set up under Article 9 of European Directive 95/46/EC in order to lay down minimum requirements for the collection of personal data online – especially with regard to arrangements, timing and contents of the information to be provided by data controller to users visiting web pages for whatever purpose.

The Recommendation and a summary of its aims and provisions are available on the website of the Italian Data Protection Authority.

The data of persons identified or identifiable may be processed upon consultation of this website.

THE DATA CONTROLLER

The data controller is **REGENYAL LABORATORIES Srl** in the person of its Legal Representative pro tempore, with legal seat in Via Val Tiberina 140 – 63074 – San Benedetto del Trono (AP) – ITALY.

PLACE WHERE DATA ARE PROCESSED

The processing operations related to web-based services available via this website are carried out at the aforesaid legal office of **REGENYAL LABORATORIES Srl** exclusively by technical personnel of the Office in charge of data processing, or else by persons tasked with such maintenance activities as may be necessary from time to time.

No data resulting from the use of web services are either communicated nor disclosed.

Personal data provided by users who request information (news, catalogues, replies to queries, information on real estate etc) are processed solely for the purpose of providing the services requested, and are communicated to third parties only in case it is necessary for the performance of such service or demand.

KIND OF DATA PROCESSED

Navigation data

The information systems and software procedures relied upon to operate this website require personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols.

Such information is not collected to relate it to the identified data subject, however, due to its nature it might enable user identification after being processed and matched with data held by third parties. This data category includes IP addresses or domain names of the computers used by the users when connecting to this website, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of such requests, the method used to submit a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.) and other parameters related to the user's operating system and computer environment. These data are only used to extract anonymous statistical information on website use, as well as to check its functioning; the data are erased immediately after being processed. The data might be used to establish liability in case computer crimes are committed against this website: except for this circumstance, any data on web contacts is currently retained for no longer than seven days.

Data provided voluntarily by the Users

Sending e-mail messages to the addresses mentioned on this website, done on the basis of freely chosen, explicit and voluntary option, entails acquisition of the sender's address, that is necessary in order to reply to any request, as well as of such additional personal data as is contained in the message(s).

Specific summary information will be shown or displayed on the pages that are used for providing services on demand.

COOKIES

No personal data concerning users is acquired by the website in this regard.

No cookies are used to transmit personal information, nor are so-called persistent cookies or user tracking systems implemented.

Use of the so-called session cookies – which are not stored permanently on the user's computer and disappear upon closing the browser – is exclusively limited to the transmission of session ID's – consisting of server-generated casual numbers – as necessary to allow secure and effective navigation.

The so-called session cookies used by the website make it unnecessary to implement other computer techniques that are potentially detrimental to the confidentiality of user navigation, whilst they do not allow acquiring the user's personal identification data.

OPTIONAL DATA PROVISION

Subject to the specifications made with regard to navigation data, users are free to provide their personal data either to be entered in the application forms submitted to **REGENYAL LABORATORIES Srl** or referred to in contacting the Company to request delivery of information materials and other communications.

Failure to provide such data may entail the failure to be provided with items requested.

DATA PROCESSING ARRANGEMENTS

Personal data are processed with automated means only for no longer than is necessary to achieve the purposes for which the data have been collected.

Specific security measures are implemented to prevent the data from being lost, used unlawfully and/or inappropriately, and accessed without authorization.

DATA SUBJECT'S RIGHTS

Data subjects are entitled at any time to obtain confirmation of the existence of personal data concerning them and be informed of their contents and origin, verify their accuracy, or else request that such data be supplemented, updated or rectified (Section 7 of Legislative Decree no. 196/2003). The above Section also provides for the right to request erasure, anonymisation or blocking of any data that is processed in breach of the law as well as to object in all cases, on legitimate grounds, to processing of the data.

The requests should be emailed to **REGENYAL LABORATORIES Srl** in the person of their pro tempore Legal Representative with legal seat in Via Val Tiberina, 140 – 63074 – San Benedetto del Tronto (AP), ITALY. E-mail: info@regenyal.eu

P3P

This privacy notice may be reached in automatic format by means of the most recent browsers implementing the P3P (Platform for Privacy Preferences Project) standard as proposed by the World Wide Web Consortium (www.w3c.org).

All efforts will be made to ensure the highest interoperability between the functions of this site and the automatic privacy verification mechanisms, that are made available by some software products applied by users. Bearing in mind that the current development status of automatic verification mechanisms is such as not to allow ruling out errors and malfunctioning, it is hereby specified that this document as posted at <http://www.regenyal.eu> is the privacy policy of this site and will be updated as necessary.
